Dear Mr. Benny Kuriakose,

### *Greetings from Catholic Diocese of Muvattupuzha!*

This is to express my sincere gratitude and appreciation for your design work in our newly constructed St. Mary's Malankara Catholic Church at Mangalathunada-Mazhuvanoor. I am really impressed with the beautiful design blended with our Syrian traditions and customs. I am very glad to recommend Ben Designs for future projects and design works of church and other sanctuaries. May God bless you and your family!

Yours in our Lord Jesus Christ,

+ *Mar Theodosius*
